Debt Free...Moving Forward

To God be the glory, great things He has done! We are thrilled to announce that as of October 2022, Tipton Christian Academy is officially debt-free. What does this mean? It means we are now 100% focused on moving forward with the next steps in our campus building and expansion plans. Meetings with the architect are ongoing and we will be looking to reveal plans and renderings in the very near future. If you missed the video announcement from Mrs. Lisa, you can [CLICK HERE](#) to watch it now. There will be opportunities to get involved provided in the months ahead; please pray about how you, your family and/or your business can be a part of TCA's future. Every dollar makes a difference!
