

Tipton Christian Academy is committed to ensure our Lower School students have the opportunity to play athletics through local sports leagues. As always, our ability to field teams depends on student interest and parents who are willing to coach. All of our students are invited to participate, regardless of skill level.

Registration costs will vary by sport and league. We will send out registration information for each individual sport as the season nears. Please don't send money with your completed registration form. Registration fee and incidentals will be billed through your existing FACTS account.

Please use the list below for planning purposes only.
