Tuition—

Tuition is due on the 5th of each month.

Monthly payments are billed through FACTS.

Full tuition chart is found at www.tiptonchristianacademy.com

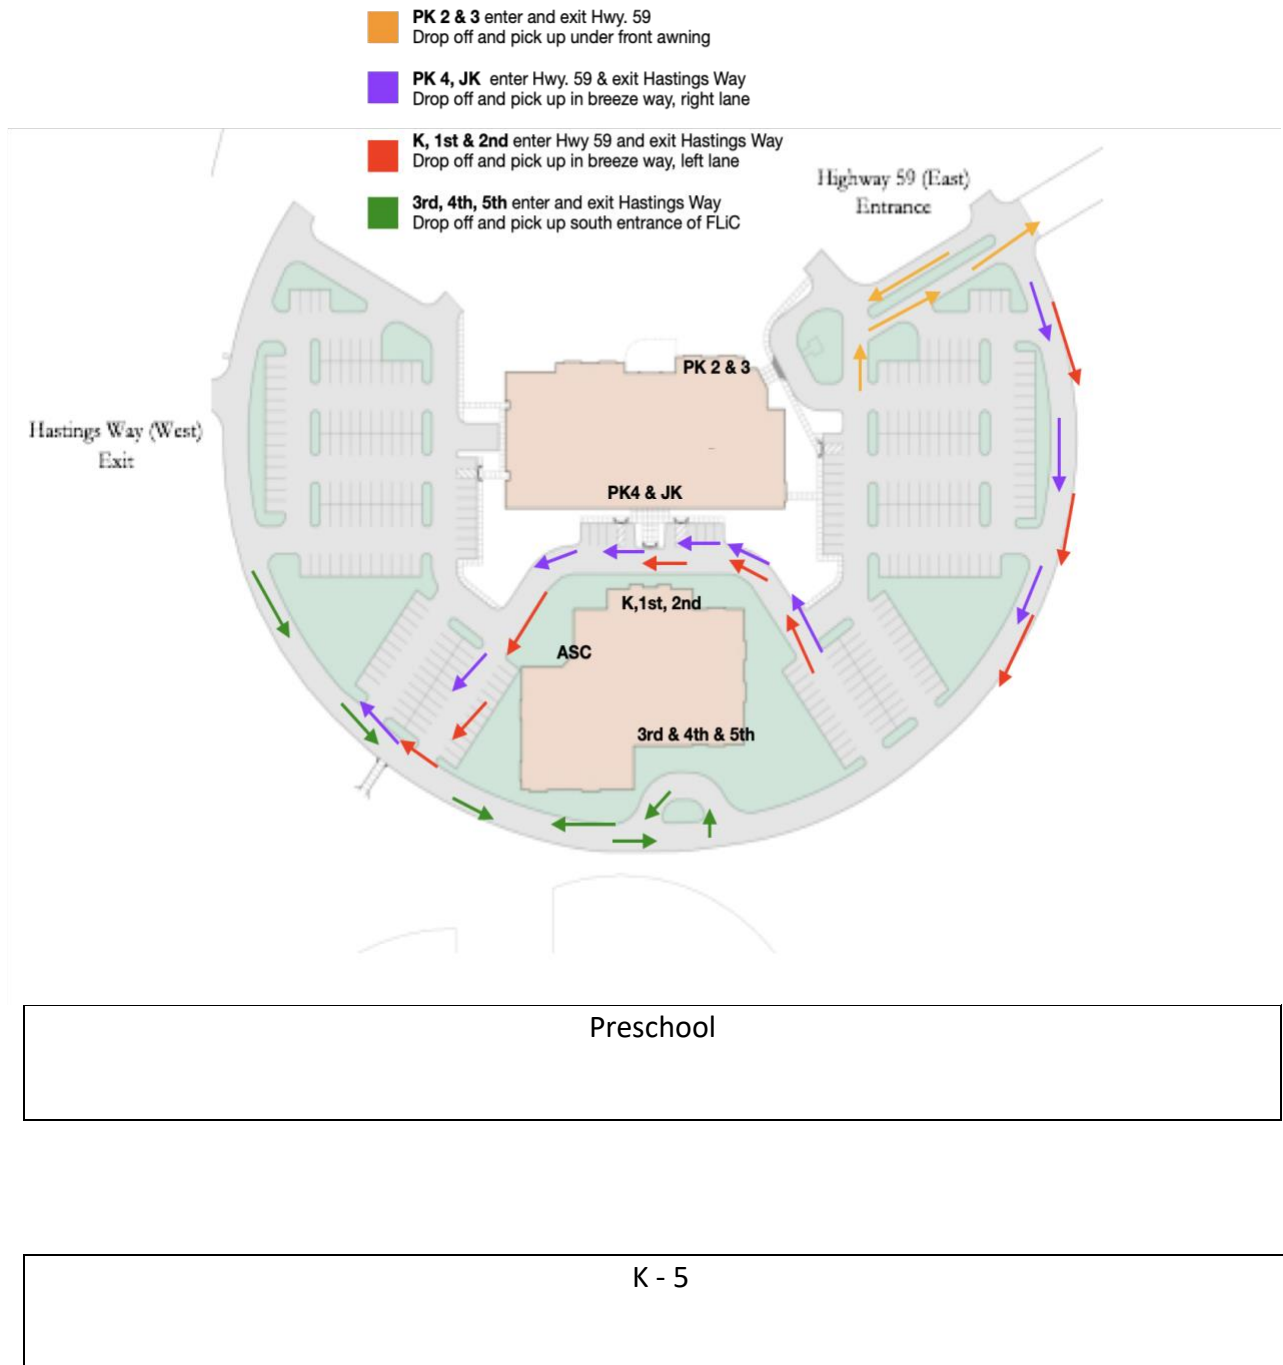

Late Fee—

A **6%** late fee charge will be added 10 days after the due date.

Note—Registration for the following year will not be complete until all debt has been cleared from the current year.

Other fees include an enrollment fee \$150 and supply fee \$100 collected once per year.

Traffic Flow

UNLOADING—**2K & 3K** will unload under the covered drive at the front of the main building (at the flag poles) from 7:15 A.M.-7:45 A.M. **4K & JrK** will unload at the breezeway between the main building and the FLiC from 7:15-7:45 (right hand lane). Late drop off for all of

preschool, 2K-Jr.K, will be from 7:45-8:00 at the **front** of the main building (at the flag poles). The doors will close at 8:00 A.M. Parents arriving after 8:00 A.M. should park and walk your child in the main TCA entrance located in the FLiC to sign them in.

LOADING—We will load the students in the same area that they drop off beginning at 12:00 noon or 2:45 for full-day. 2k & 3k at the flagpole entrance & 4k/JK in the breezeway. The **3K** parents should use the LEFT lane and the **2K** should use the RIGHT lane. **4K/JK** parents will use the RIGHT lane for pick-up in the breezeway. Please have their **car tags** hanging from the rearview mirror of your car. Please pull up and buckle your child in his/her car seats in the parking lot. The teachers must know if your child's ride should change—even for one day. Send a note, stating who will pick up your child, description of the vehicle, and for how long this person will be picking up your child. Please make sure that they have a car seat.

If you follow these requests, you will make the flow of traffic easy as well as make the unloading and loading safer!

1. Do not get out of your car while unloading and loading takes place.
2. Be patient and don't pass others in line.
3. Upon arrival, keep child in the car until a teacher is there to unload. If early, please wait.
Our doors do not open until 7:15 A.M.
4. Students arriving after 8:00 A.M. should check in at the TCA main entrance.
5. Car seats for children are a state requirement. We **WILL NOT** load a child into a vehicle that does not have a car seat. This rule is not debatable.
6. We **WILL NOT** load a child into a car if we suspect a driver is under the influence of drugs and/or alcohol. This rule is not debatable.
7. We **WILL NOT** load students on motorcycles or other motorized vehicles where the student may be exposed to danger.

You are responsible for making sure that anyone who may be picking up your child knows these requests and rules.

If you need to discuss something with your child's teacher, please park and come inside. **DO NOT** hold up other parents in the drop-off/pick-up line

Policy for Illness—

If a child becomes ill at school, they will be referred to our school nurse. Once evaluated by our nurse, his/her parents will be called to come take him/her home.

For the protection of all the children, no child who appears to be sick will be allowed to stay at school.

Prior to returning to school after any illness or incident, we reserve the right to require a doctor's release. The following ALWAYS require a doctor's release:

- all childhood diseases (examples—Chicken pox; measles)
- all surgical procedures, including same day
- all hospitalizations

Guidelines for sickness policy—

Fever—Please keep child at home if they have a temperature of 100° or higher. A child may return after he/she is fever free for **24** hours. A child cannot return to school the next day if sent home from school because of fever. **Please do not give anti-fever medicine and send your child to school.**

Vomiting—One incident requires a child to be sent home. Child may return after 24 hours of **no** vomiting.

Diarrhea—Two (2) incidents require a child to be sent home. Child may return after 24 hours of no diarrhea.

Pink Eye—Child may return after administration of medicated eye drops for 24 hours.

Strep Throat—Child may return after administering antibiotics for 24 hours.

Pneumonia—

Viral—Child may return after fever free for 24 hours.

Bacterial—Child may return after administering antibiotics for 24 hours and fever free.

We will notify parents of any contagious illnesses within the school (examples- chicken pox).

Teachers or staff will not administer medication to a child without a written request. If your child must have medicine, arrange a time with the teacher for the child to be dismissed from class long enough for you to give it to him/her. Please put this request in writing so that we may keep a record.

Miscellaneous Information

- 1. Potty training** – While we understand there may be potty accidents from time to time, TCA's 3K and 4K students are expected to be fully trained in regard to using the restrooms.

Restroom Policy

2K

Our 2 year old students are not required to be potty trained to attend school. Our 2k students will be assisted with toileting procedures and potty training. We ask parents to communicate clearly to the

teacher the toileting needs and procedures of their child. Parents are asked to supply diapers or pull-ups as needed. We also ask that pull-ups be the kind that can be fastened and unfastened on the sides for ease of use. Only school personnel, who have been cleared through a background check as well as the child abuse and sexual offender lists, are permitted to assist children in the bathroom or change diapers. Volunteers are not permitted to assist children in the bathroom.

3k, 4k, and Jr.K

Our older students are required to be potty trained upon entering 3k; however, we do offer more assistance in their first month of school. After this time, the students are encouraged to be independent when using the restroom and must be able to go to the restroom by himself/herself without assistance. They must be able to remove their own clothing and clean themselves properly. The students can receive assistance on an as needed basis to snap or button their clothing. All of the students will be reminded to wash and dry their hands after each visit to the restroom.

-Try not to be alarmed if your child has accidents the first few days/weeks of school. The children will be excited about their surroundings and may forget to go. This is normal and should correct itself once the children get used to their new routine.

However, if accidents continue on a regular basis, a conference will be called to determine if the child is allowed to remain in the preschool program.

-All children will be frequently reminded to go to the restroom at regular intervals during the day, but will also be allowed to go to the restroom on an “as needed” basis. Be sure to tell your child it is okay to ask a teacher for help. Doing so may calm fears about what to do when a problem arises. Students will receive assistance when they ask the staff for help. will be frequently reminded to wash their hands to prevent disease and/or infection.

-Instruction on potty use occurs at the beginning of each year. The teachers will show children where the bathrooms are located. Once in the bathroom the teacher or staff member will instruct the students on how to use the stall door (if using the larger restrooms), how to unroll toilet paper, how to flush the toilet, how to turn on the water to wash their hands, how to access the soap dispenser, how to use the paper towel dispenser to dry their hands, and where to throw paper towels away.

-All restrooms are monitored by a teacher or a teacher assistant at all times. The classes will use the restroom at regular scheduled times during each school day, but each student will also be allowed to use the restroom as needed throughout the school day.

-TCA Preschool has restrooms located in their 2k, 3k, and two of their 4k classrooms that are used by all of the students. Two of the 4k classes and the Jr.K classes utilize the restrooms located on their hallway.

2. Biting/Pushing Policy –

Biting and Pushing is unfortunately not unexpected behavior for 2 year olds. Some children and many toddlers communicate through this behavior. However, biting/pushing can be harmful to other children and to staff. This biting/pushing policy has been developed with both of these ideas in mind. Our goal is to help identify what is causing the biting/pushing and resolve these

issues. If the issues can not be resolved, this policy serves to protect the children that are bitten/pushed. Names of the children will not be shared with either parent.

When biting/pushing does occur:

Our staff strongly disapproves of biting/pushing. The staff's job is to keep the children safe and help a child that bites learn different, more appropriate behavior. We do not use techniques to alarm, hurt, or frighten, children.

For the child that was bitten/pushed:

1. First aid is given to the bite. It is cleaned with soap and water. If the skin is broken, the bite is covered with a bandage.
2. Parents are notified.
3. The "incident report" form is filled out documenting the incident.

For the child that bit/pushed:

1. The teacher will firmly tell the child, we do not bite/push. Ask them to check on in with the child who was hurt.
2. The child will discuss with a teacher how the other child may feel and what other ways to deal with frustrations.
3. The parents are notified. The " Incident Report" is filled out documenting the incident.

Moving Forward:

The child will be shadowed to help prevent any biting/pushing incidents. The child will be observed by the teachers to determine what is causing the child to bite (communication, frustration, etc.). The child will be given positive attention and approval for positive behavior.

When biting/pushing continues:

1. If a child inflicts 2 bites/pushes in one week period (5 days of school) in which the skin of another child or staff member is broken or bruised or the bite leaves a significant mark, a conference will be held with the parents to discuss the child's behavior and how the behavior may be modified.
2. If the child again inflicts 2 bites/pushes in a one week period (5 school days) in which the bite breaks skin or leaves significant mark, the child will be asked to take a one week break from school.
3. If the child again inflicts 2 bites/pushes in a one week period (5 school days) in which the bite breaks the skin or leave a significant mark, the parents will be asked to make other preschool arrangements.

If a child, who has been through steps 1 and 2, and then goes 3 weeks (15 school days) without biting/pushing, we will go back to step 1. If a child bites twice in a 1 hour period, the child will be required to be picked up from preschool for remainder of the day.

3. Lice Policy—

TCA is committed to a nit free school environment. Random inspections for lice may be done on students. If a child is found to have lice or nits, his/her parents will be notified to come pick

up their child. Upon returning to school, the child will be inspected again. If treatment has been done and the child is nit free, then the child will be allowed to stay at school.

4. Book Bag—

Each child is provided a book bag. It will contain all notes, calendars, weekly lesson plans, rewards, and class work. Please remove papers and send the book bag with your child as he/she returns to school. You may use it to send notes to teachers, and to send information. This bag will take the place of backpacks.

5. School Photos—

In late September your child's photograph will be taken. Money is due upon ordering of photos.

6. Snack—

Your child will receive a snack each day. The school provides your child with a choice of milk or juice during snack time. This requirement includes special event snacks and birthday celebrations. Suggestions for nut free snacks will be available from teachers and staff. Thank you in advance for helping us keep all students safe.

7. Clothing—

Please send your child in play clothes (please no halters or mid-riffs). We paint, glue, use markers, play outside, etc. Accidents occur. Please do not send them in their Sunday clothes. If you have a daughter who likes to wear dresses, please have her to wear shorts or leggings or pants under her dress. Dress your child for the weather.

Shoes should be comfortable. Tennis shoes with Velcro are best. The children are not allowed to remove their shoes. Sandals and flip-flops do not work well on the playground and gym. Please make sure your child can handle his/her clothing on his/her own.

Please label everything that your child will remove such as jackets and sweaters.

Sometimes children have identical clothing and labeling can solve many problems.

8. Expulsion-

Sometimes, in extreme cases, it becomes apparent that it would be best for the school and the student that he/she leaves the TCA campus. If a student who has been expelled wishes to rejoin the TCA community, the student must reapply through the Admissions Office and complete the admissions process. The TCA administration reserves the right to refuse re-admission.

9. School Closings—

We follow the TCA policy on school closings. When we have snow, please watch local television stations for school closings, also enroll in RenWeb to receive school text messages. We observe the county school's holidays.

10. Current Information—

Should information on your child's application change, please contact us with the correct information immediately.

Child Emergency Information

We will not release your child to anyone other than the parent or guardian unless there is written permission by the parent or guardian. Please make sure all emergency information is current. **This includes phone numbers.** We cannot stop biological parents from picking up their children unless we have an order from the court.

Emergency Disaster Plan

In the event of fire, staff members will take the children out the closest exit and go to their designated places away from the building. We will remain there until we have an "all clear" from appropriate authorities. Fire drills are conducted on a monthly basis at school.

In the event of a severe thunderstorm or tornado, staff members will take all children to the hallway of the main building and have the children sit against the walls. We will remain there until the severe weather has passed. Tornado drills are conducted on a regular basis at school.

In the event of an earthquake, staff members will assist all children in getting under any available furniture.

In the event of violence or the threat of violence, a staff member that is able will notify the police of the situation.

TN Standards for School-administered Child Care, Chapter 0520-12-01

SUMMARY

Program Organization and Administration, 0520-12-01-.05

- A Child Care Center must have an adequate budget. General liability, automobile liability, and medical payment insurances must be maintained on all properties and vehicles owned or operated by the program.
- Children's files must include a complete application, an official immunization record (exceptions do apply), and health history.
- On-going parent communication is expected. Programs must provide a parent handbook with the policies, procedures, and the TDOE requirements, chapter 0520-12-01. It is expected that parents sign for receipt of the policies and requirements, and this would be kept in the child's file. All parents shall be given a pre-placement visit opportunity.
- Parents must have access to all areas of the center when their child is present.

- The parents must receive an educational program regarding child abuse detection, reporting and prevention.
- A written plan must be in place for the release of each child, this should include individuals who are allowed to pick up the child at the end of the day or any given time by the parent.
- Children must be signed out of the program by the custodial parent. Staff may require to see a person's identification when releasing a child from the program.
- Injuries and incidences will be reported to the parent as soon as possible or at the end of the school day. This shall be documented in the child's file.
- Staff records must be kept on each employee that includes educational background, reference checks, TBI check, in-service training, physical exams and performance reviews.
- If the center provides transportation, the driver should be appropriately licensed, have a drug screening on file, and certificate of CPR/First Aid, there must be liability insurance and the children must have adequate space and supervision. Transportation provided by the center or under center authorization shall comply with state law.
- Programs must have the current Certificate of Approval posted where parents and visitors can easily see it, along with the Department of Human Services childcare complaint number and the Department of Children's Services Child Abuse Hotline number.
- No smoking must also be posted in a conspicuous manner.
- A copy of the state board rules (chapter 0520-12-01) must be maintained in a central space and available to all staff and parents.

Program Operation (Supervision), 0520-12-01-.06

- Careful supervision of each group is expected at all times and suited appropriately for each age grouping.
- Adult:child ratios and group sizes must be followed. School-based Support Services June 2017

Dear Parents/Guardians,

We are required by state regulations each year to teach a personal safety curriculum, including a child sexual abuse component, for children enrolled in our preschool. Parents/legal guardians must be informed about the curriculum, methods, and terminology that will be used in teaching the children about personal safety. We are required to allow you to review and ask questions about the curriculum and to meet with the director if you have questions.

Preschool Education, Personal Awareness Curriculum is the curriculum our center has chosen to teach. It uses a Biblical Approach to teaching children safety. These lessons include self-esteem, feelings, body parts, and personal awareness safety. Each lesson will be reinforced with activities, songs, and other ageappropriate materials.

When discussing touching, we will not use the scientific names for the private body parts. We will refer to these areas of the body as those which the bathing suit covers. We feel teaching the correct terminology for the private parts should be left to parents.

Please sign this letter below and return to your child's teacher. This form will be placed in your child's file. Please feel free to contact me and remember you may review the curriculum at any time.

Respectfully,

Susan Carter
Preschool Director

I/We acknowledge that I/we have been provided an opportunity to question the center's personal safety curriculum and have been notified of the sexual abuse/personal safety curriculum for our child/children.
